

A Counselor Is...

Hello! I am your school counselor. You might wonder what a school counselor does. That is what this book is about

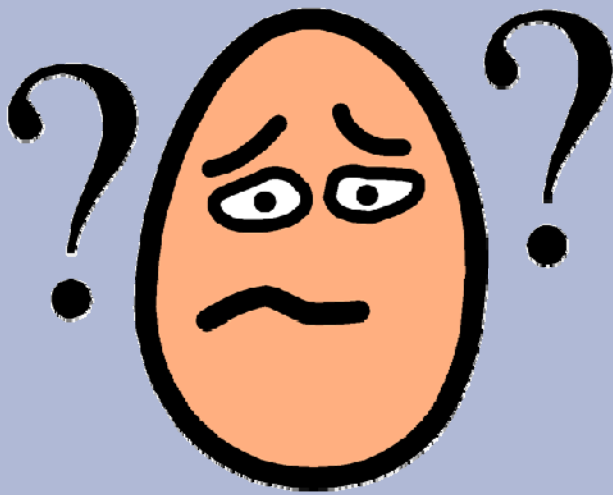

What is a school counselor?

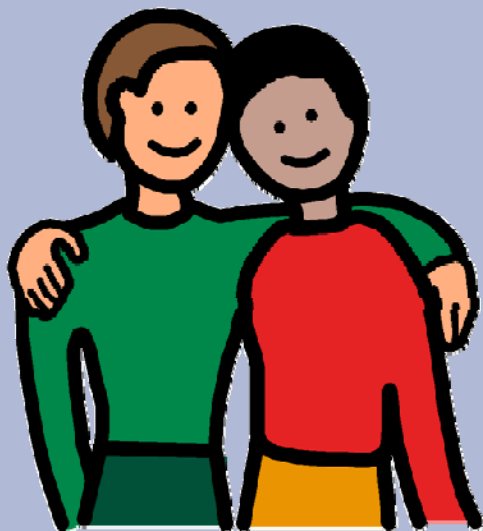

School Counselor

A counselor is...
someone who helps
you solve problems like
how to get along with
your friends or how to
make friends.

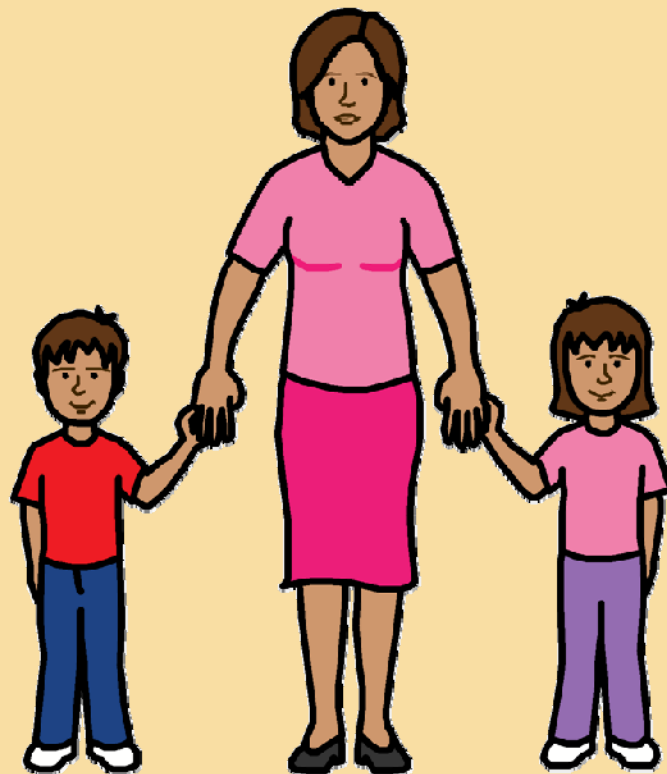

problem

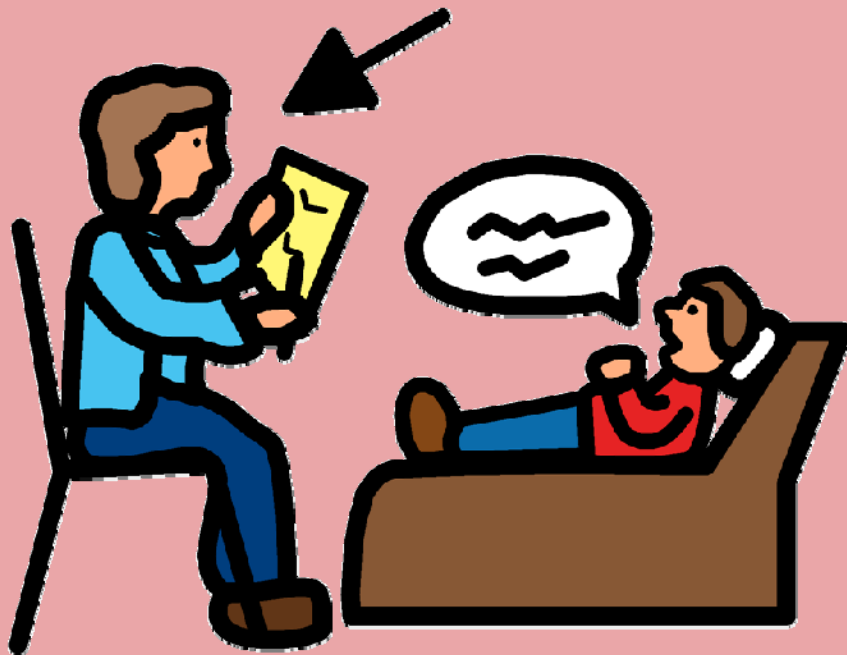

friends

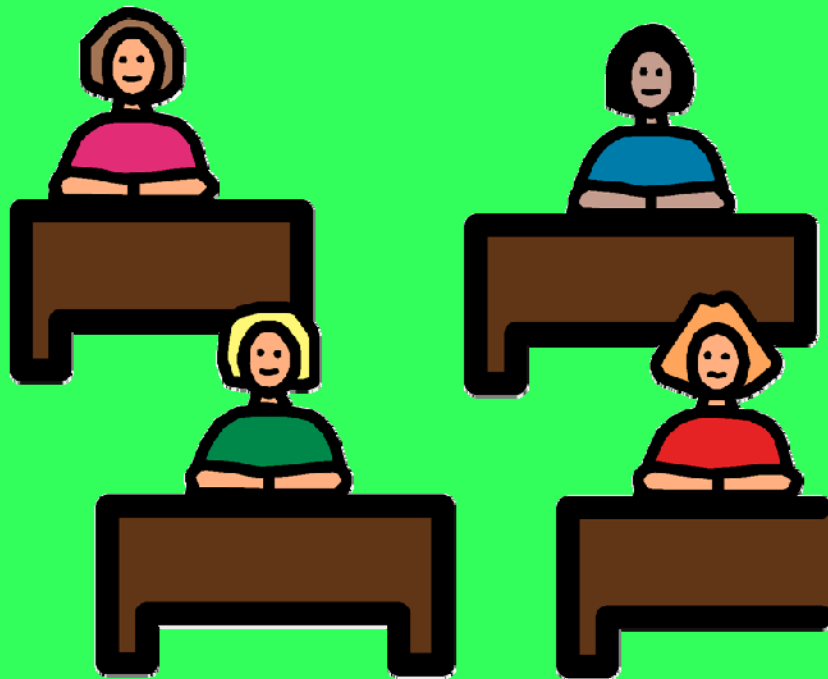

A counselor is ...
someone who really
likes people.

A counselor is...
someone who is easy to
talk to.

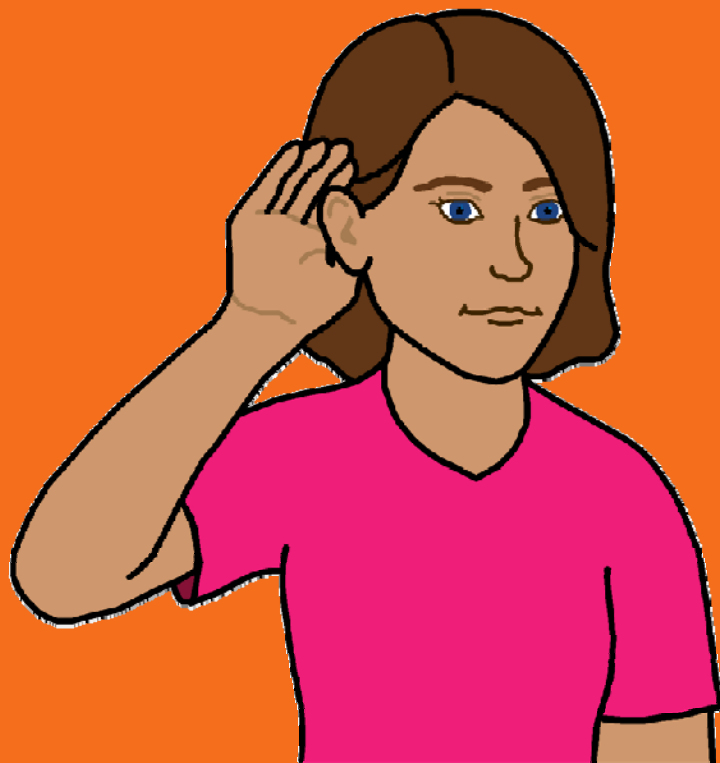

A counselor talks
to you in your
classroom.

A counselor talks
with you one at a
time or in small
groups in her office.

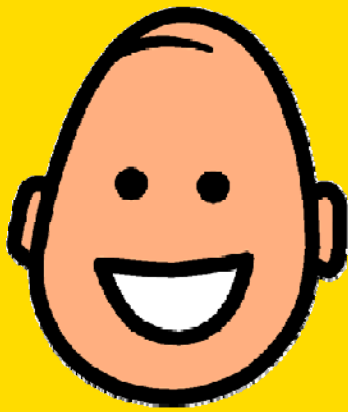

A counselor is....
someone who
listens carefully
to what you have
to say.

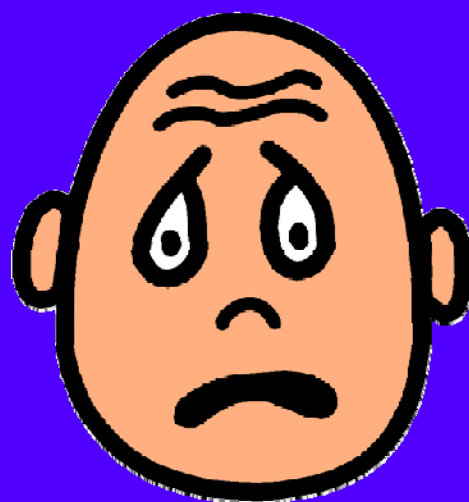

A counselor wants
to know when you
are sad....

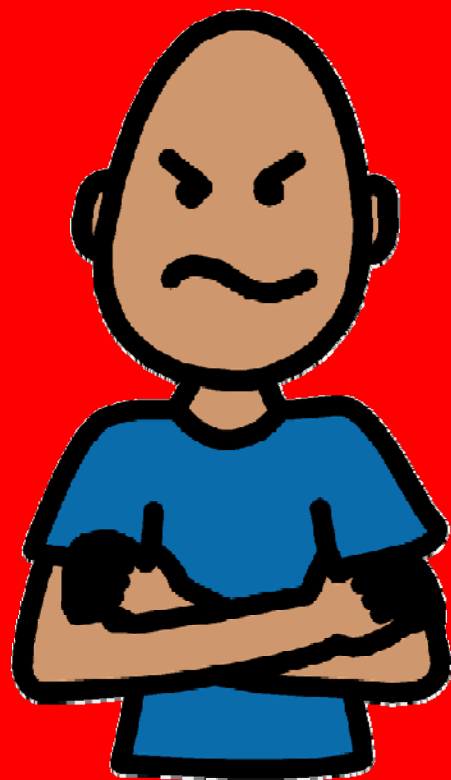

...or when you are
happy.

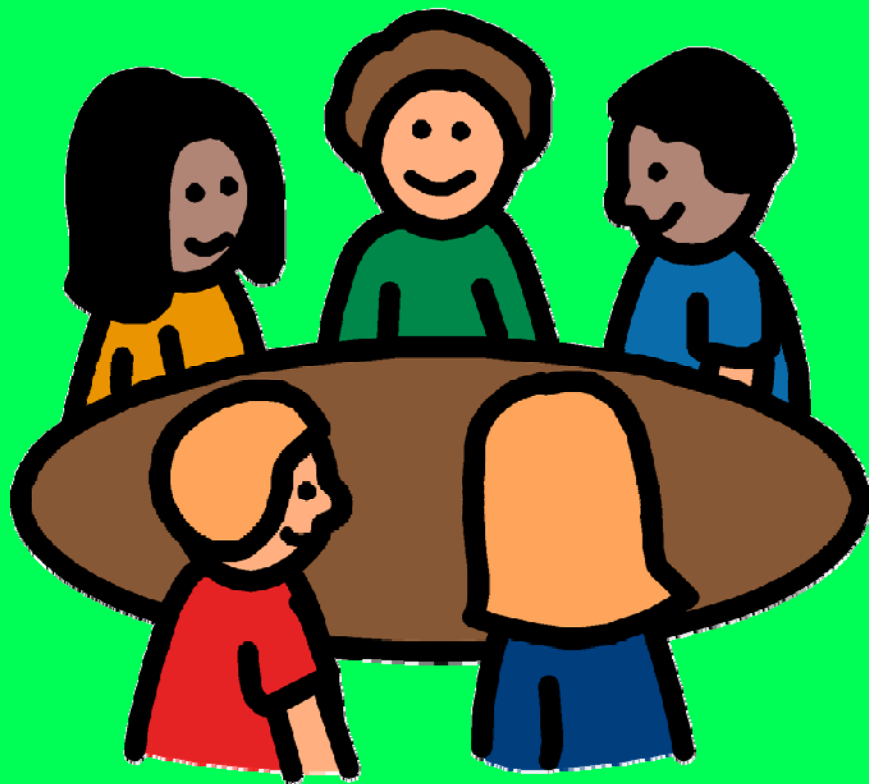

A counselor... wants
to know when you
are afraid...

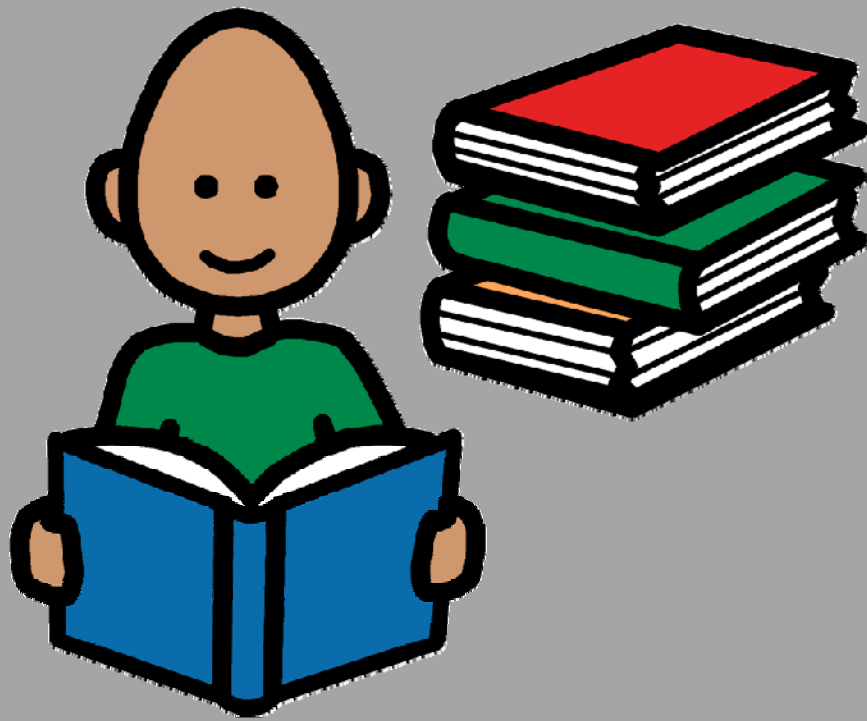

...or when you
are angry.

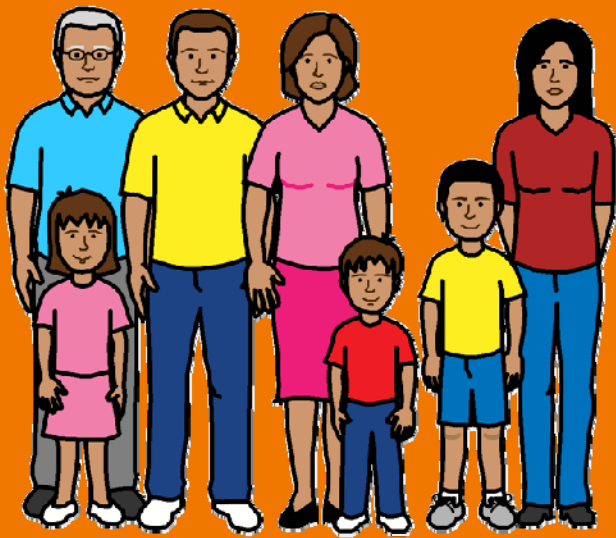

A counselor is...
someone who
helps you learn
about others.

A counselor is...
someone who
helps you learn
about yourself.

A counselor is... someone who works with teachers, parents, and other people who care about you.

Counseling is for everyone!!
